

**BRYANLGH COLLEGE OF HEALTH SCIENCES
FACULTY PRESENTATIONS**

Leighton, Kim

- 2010 Clinical Judgment in Simulation: Partnering Service and Academia, co-presented with members of the Nursing Education Deans and Directors of South Dakota at the Human Patient Simulation Network conference, Tampa, FL
- 2010 Get Your Money's Worth: Debrief, podium presentation at the Human Patient Simulation Network conference, Tampa, FL
- 2010 Use of Simulation in Pediatric Nursing Education, on Expert Panel presentation at the International Meeting on Simulation in Healthcare, Phoenix, AZ
- 2009 Meeting Nursing Students' Learning Needs: Where and How? presented at the 1st European-Latin American Meeting on Healthcare Simulation and Patient Safety, Coimbra, Portugal
- 2009 The Impact of Debriefing on the Effectiveness of the Simulated Clinical Experience: A Study of Undergraduate Nursing Students, presented at the 1st European-Latin American Meeting on Healthcare Simulation and Patient Safety, Coimbra, Portugal
- 2009 Facilitating Learning with Human Patient Simulation, 1st European-Latin American Meeting on Healthcare Simulation and Patient Safety, Coimbra, Portugal, invited workshop
- 2009 Instructor Certification. Invited participant in roundtable discussion at the 1st European-Latin American Meeting on Healthcare Simulation and Patient Safety, Coimbra, Portugal
- 2009 Teaching with Technology in a Multigenerational Learner Environment: Addressing Student Needs co-presented with Dr. Tim Bristol, Emerging Technologies, La Jolla, CA, invited presentation
- 2009 Sharing Technology Between Service and Academia: Working in Collaboration co-presented with Dr. KT Waxman, Emerging Technologies, La Jolla, CA, invited presentation
- 2009 Improve Learning Opportunities in Your Simulation Lab, International Nursing Association for Clinical Simulation and Learning (INACSL), St. Louis, MO
- 2009 Mental Health Simulated Clinical Experience: Plan and Implement (Part I), Midwest Nurse Educator's Academy, Grand Forks, ND, invited presentation
- 2009 Mental Health Simulated Clinical Experience: Debrief and Evaluate (Part II), Midwest Nurse Educator's Academy, Grand Forks, ND, invited presentation
- 2009 Creating a Positive, Empowering Learning Environment through Simulation! Keynote presentation at Pittsburg State University, Pittsburg, KS
- 2009 Patient Simulation presented at Health Occupations Students Association state conference, Boy's Town, NE
- 2009 To Die or Not to Die, co-presented with Dr. Eric Baumann at the Human Patient Simulator Network Conference, METI, Tampa, FL
- 2009 Advanced Scenario Design for Nursing Curricula presented at the International Meeting on Simulation in Healthcare, Orlando, FL, invited presentation
- 2009 Meeting Student Learning Needs in the Simulated Clinical Environment poster presented at the International Meeting on Simulation in Healthcare, Orlando, FL
- 2008 METI's HPS6 Software: Tabs and Programming on the Fly presented at Southcentral/Southwest Regional HPSN, Dallas, TX, invited presentation
- 2008 Scenario Writing and Editing presented at Southcentral/Southwest Regional HPSN, Dallas, TX, invited presentation
- 2008 Improve Learning in your Simulation Lab presented at Clinical Education Redesign: Simulations, Innovations, and Partnerships, Indianapolis, IN
- 2008 Trauma Symposium HPS Breakout Session, BryanLGH Medical Center, Lincoln, NE
- 2008 Improve Learning in your Simulation Lab presented at the Professional Nurse Educator's Group conference, Kansas City, MO
- 2008 A Dress Rehearsal: Using High Fidelity Simulation to Enhance Resuscitation Skills. Co-investigator for research presented by K. Scholl at the Professional Nurse Educator's

**BRYANLGH COLLEGE OF HEALTH SCIENCES
FACULTY PRESENTATIONS**

- Group conference, Kansas City, MO
- 2008 Realising the Potential: Getting There from Here, invited keynote presentation at SimTecT, Brisbane, Australia
- 2008 Facilitating Learning with Simulation in Nursing Education preconference workshop presented at SimTecT, Brisbane, Australia, invited presentation
- 2008 Integration of Simulation into the Undergraduate Nursing Curriculum preconference workshop presented at SimTecT, Brisbane, Australia, invited presentation
- 2008 Simulation: Integrating it into your Curriculum: One Approach, co-presenter at SimTecT, Brisbane, Australia
- 2008 A Dress Rehearsal: Using High Fidelity Simulation to Enhance Resuscitation Skills. Co-investigator for research presented by K. Scholl at the International Association of Clinical Simulation and Learning (INACSL) Conference, San Jose, CA
- 2008 Meeting Student Learning Needs in the Simulated Clinical Environment presented at the 2nd International Nurse Education Conference (NETNEP), Dublin, Ireland
- 2008 Scenario Design and Curriculum Integration presented at the Health Educator's Conference, Central Community College, Columbus, NE, invited presentation
- 2008 Meeting Student Learning Needs in the Simulated Clinical Environment, poster presented at Celebrate Nursing sponsored by the Nebraska Nurses Association and Sigma Theta Tau, Lincoln, NE
- 2008 Scenario Design and Creation pre-conference workshop presented at the Human Patient Simulator Network Conference, METI, Tampa, FL
- 2008 Death of a Simulator presented at the Human Patient Simulator Network Conference, METI, Tampa, FL
- 2008 Can Simulation Replace Clinical? Presented at the Human Patient Simulator Network Conference, METI, Tampa, FL
- 2008 Facilitating Learning with Simulation: The Faculty Role presented at the 8th Annual International Meeting on Simulation in Healthcare, San Diego, CA
- 2007 Learning in the Traditional Clinical Environment and the Simulated Clinical Environment: A Survey of Undergraduate Nursing Students presented in Sarasota, FL
- 2007 What Happens Before the Code Team Arrives? 34th Annual Professional Nurse Educator Group Conference, Oregon Health & Science University, Portland, OR
- 2007 Learning in the Traditional Clinical Environment and the Simulated Clinical Environment: A Survey of Undergraduate Nursing Students presented at MidAmerica HPSN, Houston, TX
- 2007 Dissertation findings presented by Dr. Judy Johnson-Russell, 13th Annual Meeting of the Society in Europe for Simulation Applied to Medicine (SESAM), Copenhagen, Denmark
- 2007 Human Patient Simulation, Center for Nursing, Lincoln, NE, invited presentation
- 2007 The Faculty Role: Facilitating Learning with Simulation, poster presentation, Nurse Educator's Conference in the Rockies, Centennial Area Health Education Center, Breckenridge, CO
- 2007 Forensic Nursing Workshop, BryanLGH College of Health Sciences, Lincoln, NE, invited presentation
- 2007 Clinical and Academic Use of Simulation in Nursing Education, 25th Annual International Nursing Computer and Technology Conference, Rutgers University, San Francisco, FL, invited presentation
- 2007 Use of Simulation to Facilitate Nursing Education, BryanLGH College of Health Sciences, Lincoln, NE
- 2007 Scenario Design and Creation co-presented with K. King and D. Modesta at the Human Patient Simulator Network Conference, METI, Tampa, FL
- 2007 Death of a Simulator presented at the Human Patient Simulator Network Conference, METI, Tampa, FL

**BRYANLGH COLLEGE OF HEALTH SCIENCES
FACULTY PRESENTATIONS**

- 2006 Use of Simulation in Undergraduate Nursing, presented as part of a workshop given by Dr. Jay Shiro Tashiro entitled Improving Clinical Judgment: What Works in Clinical Simulations presented at the 24th Annual International Nursing, Computers, and Technology Conference, Toronto, ON
- 2006 Integration of Simulation into the Undergraduate Nursing Curriculum presented at the Human Patient Simulator Network Conference, METI, (4 times), Tampa, FL
- 2006 Clinical Simulation: Caring for a Critically Ill Patient with Sepsis. Poster presentation with K. Guiliano and A. Johanneson at the International Meeting on Medical Simulation in San Diego, CA
- 2005 Use of Simulation in the Nursing Curriculum, Vancouver, BC
- 2005 Early Identification of Sepsis Research Study with Phillips, conducted at AACN National Teaching Institute, New Orleans, LA
- 2005 Bridge to the Future: Teaching with Simulation, co-presented with Kim Martin at National Organization of Associate Degree Nursing, Pittsburgh, PA
- 2005 Keep It Simple Stan presented at the Human Patient Simulator Network Conference, METI, Tampa, FL
- 2004 Use of Simulation in Education presented to the American Society for Training and Development (ASTD), Lincoln, NE, invited presentation
- 2004 Use of Simulation in Nursing Education presented to the Nebraska Deans & Directors, Lincoln, NE, invited keynote
- 2004 Completed phenomenological qualitative research study to describe the lived experiences of nontraditional college students
- 2004 Surviving Stan presented at the Human Patient Simulator Network Conference, METI, Tampa, FL
- 2004 I Don't Do OB presented at the Human Patient Simulator Network Conference, METI, Tampa, FL

Nelson, Jodi

- 2009 The Morning After: Psych Simulation. Presented at the Human Patient Simulator Network Conference, METI, Tampa, FL

Scholl, Karla

- 2008 A Dress Rehearsal: Using High Fidelity Simulation to Enhance Resuscitation Skills. Co-investigator for research presented by K. Scholl at the Professional Nurse Educator's Group conference, Kansas City, MO
- 2008 A Dress Rehearsal: Using High Fidelity Simulation to Enhance Resuscitation Skills. Co-investigator for research presented by K. Scholl at the International Association of Clinical Simulation and Learning (INACSL) Conference, San Jose, CA
